AUGUST 2023

SUPREME CHAPLAIN'S MONTHLY CHALLENGE

But the woman came and did Jesus homage, saying, “Lord, help me.” He said in reply, “It is not right to take the food of the children and throw it to the dogs.” She said, “Please, Lord, for even the dogs eat the scraps that fall from the table of their masters.” (Gospel for Aug. 20, Mt 15:25-27)

Jesus heals the daughter of a Canaanite woman and speaks of her great faith. Our founder, Blessed Michael McGivney, was an advocate of strong, faith-filled families. Do we share our Catholic faith with our own families and friends, or do we neglect this vital responsibility? May we commit ourselves to building strong families and friendships in faith by our word and deed.

Challenge by Supreme Chaplain Archbishop William E. Lori:

This month, I challenge you to introduce devotions to Blessed Michael McGivney — such as the Blessed Michael McGivney Novena — into your prayer life. Second, I challenge you to participate in the Faith in Action Family Prayer Night program, incorporating devotions to Blessed Michael McGivney such as the Blessed Michael McGivney Prayer Hour.

Questions for Reflection:

Do you seek to share your faith with others? What are some practical things you can do to strengthen the faith life of your family and friends? Do you talk about the Catholic faith with your friends and family so as to help strengthen their belief?

August 2023

Pam and I were at the KOA outside of Santa Fe a while back and for the first time in a very long while I was able to look up at the sky and see stars without the light pollution of a near-by city. It took me back 60 years to that 11-year-old boy who looked up at the stars and wondered what's up there, and what's beyond all that. That 11 year old boy who asked even then, "are we alone in the universe"?

If we believe in God, if we believe God created the universe, then we're asking the wrong question. Are we alone in the universe? NO, God has always been with us, we have never been alone. Hebrews 11:3 tells us this: "By faith we understand that the universe was ordered by the Word of God, so that the visible came into being through the invisible."

So, the question we should be asking is, "are there others out there?"

This is the age-old question that has been asked for thousands of years. Some scientist and astronomers tell us the numbers point to other civilizations out there. Other scientists use that same data to prove that there are no others out there. Sounds a little like today's politics, doesn't it?

I was talking with David Kihm about something close to this some time back and he was talking about a movie on Amazon Prime called "The Privileged Planet." It starts with the premise put forth by Carl Sagen in his Cosmos series, that we are not unique, there is nothing special about us, that we are just a spec of light floating in a vast universe that is far bigger than us mere mortals, that this all came together thru random chance, (something secular science starts any conversation with), and therefore there is no influence from any kind of a concept of intelligent design, or a god.

But, as the movie progresses, it starts to talk about all the factors that must be just right for us to be here. Example; our ability to make decisions and learn beyond our basic needs of food and shelter; our moon that is in just the right place in orbit around us to help provide just the right conditions to sustain life, and not just basic life, but intelligent life that is self-aware. Our planet's location in our galaxy outside of one of the spirals of our galaxy that affords us a much clearer view of the universe, so we can learn more about it; the earth's gravity that is just right, not too little, and not too strong. There are a surprisingly high number of variables, many of which I wouldn't have thought of, that have to be "just right", change any one of these, even by a small percentage, and it all falls apart. All these variables go into a formula that scientist use to help determine if there are others out there. The formula pretty much precludes that chance.

As the movie comes to the end, it starts to make the point that because all these variables have to be just right, that there are so many variables that have to be just right, that the formula begins to rule out random chance, and we begin to understand that we are special, we are unique in the universe; because of our God given ability to learn, to ask questions, and to explore, we begin to understand our purpose and our reason for being here. All of this clearly points to intelligent design, and intelligent design clearly points to God.

As intelligent beings, we ask questions, and we search out answers. And when we get those answer's, we find they ask 5 more questions, and we search out those answers, and on and on. And we try to explain and understand those answers. But here's the rub, science that denies God cannot explain or fully understand those answers without 5 or 6 or 58 different theories, all of them competing, and none of them get it right. On the other hand, science that starts with God doesn't have any of those issues.

Science without God says there was nothing before the Big Bang. The second half of Hebrews 11:3 tells us again that's not true: "so that the visible came into being through the invisible." The authors of Hebrews knew this all those years ago, long before all these scientists today who start their 5 or 6 or 58 different theories without God.

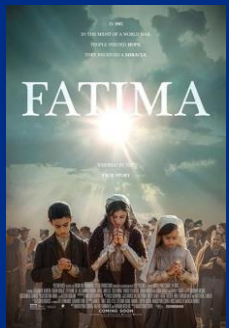

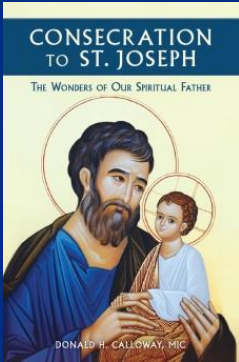

Those of us who have ever done any computer programming or code writing know how important it is to get just the right code to get the desired results, and we know this is no easy task.

Look at it this way; in my mind's eye, I see God writing the perfect program, using the perfect code, and when He's done, He hits "start", and that was the Big Bang. Everything else after that is part of His perfect code, His perfect design, and it includes our ability to learn, to explore, and to better understand, and if we understand it starts with God, it includes our ability to come closer to God.

When you leave here tonight, look up at the sky, let your imagination run, and tell me you've never asked that question.

Are there others out there? As the formula would seem to indicate, not likely. But, when my time comes and I stand before Jesus for my judgement; when he gets to the end and He asks: "now, do you have any questions?"

Well - you know I gotta ask !!!

Congratulations to PGK SK Tom Plate

Lord, make me an
instrument of Your
Peace:

Where there is
hatred, let me sow
love;

Where there is
injury, pardon;

Where there is
doubt, faith;

Where there is
despair, hope;

Where there is
darkness, light;

And where there is
sadness, joy.

O Divine Master,
Grant that I may not
so much seek To be
consoled as to
console;
To be understood, as
to understand;
To be loved, as to
love;

For it is in giving
that we receive, It is
in pardoning that we
are pardoned,

And it is in dying
that we are born to
Eternal Life. Amen

ST. FELIX PANTRY
A Felician Sponsored Ministry

Thank You letter from ST Felix Pantry,

"Dear Friendson council 15199:

Only by your generous support is St. Felix Pantry able to be the only food pantry in Sandoval County, NM that allows weekly access to groceries. A Front Office Volunteer relayed this guest's story recently:

A woman comes every week to St. Felix Pantry. Her Loyalty to the Pantry is inspiring. She has had medical issues for years and the treatments and surgeries she's undergone are not helping her. Every week that she comes, she looks a bit worse as her walking is compromised. I don't know what she would do without St. Felix Pantry; it is a blessing to be able to serve.

We thank you for the kindness that you have graciously extended to St. Felix Pantry. We greatly appreciate your gift in the amount of \$500.00 (check dated 5/11/2023 and check # 1923).

Together, we brighten lives, feed the hungry, and provide a dose of encouragement to those in need. Blessings to you all, your families, and your friends.

With gratitude,
Rachael Miletkov
Director of Development
St. Felix Pantry

Celebrate the Gospel of Life

O Mary,
bright dawn of the new world,
Mother of the living,
to you do we entrust the cause of life:
Look down, O Mother,
upon the vast numbers
of babies not allowed to be born,
of the poor whose lives are made difficult,
of men and women
who are victims of brutal violence,
of the elderly and the sick killed
by indifference or out of misguided mercy.
Grant that all who believe in your Son
may proclaim *the Gospel of life*
with honesty and love
to the people of our time.
Obtain for them the grace
to *accept that Gospel*
as a gift ever new,
the joy of celebrating it with gratitude
throughout their lives
and the courage to bear witness to it
resolutely, in order to build,
together with all people of good will,
the civilization of truth and love,
to the praise and glory of God,
the Creator and lover of life.

Happy Birthday! May God continue to bless you with peace, love, health, and happiness!

Prayer for the Canonization of Blessed Michael McGivney

Founder of the Knights of Columbus

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Blessed Michael McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify Blessed Michael McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (*here make your request*). Through Christ our Lord. Amen.

Saint Michael the Archangel,
defend us in battle,
be our protection against
the wickedness and snares of the devil.
May God rebuke him, we humbly pray;
and do thou, O Prince of the Heavenly Host,
by the power of God,
cast into hell Satan and all the evil spirits
who prowl about the world
seeking the ruin of souls.
Amen.

The Chalice Program is a beautiful and lasting gesture to memorialize and pay tribute to a Sir Knight who has passed away. A Chalice and Paten with the name of the deceased Sir Knight engraved (on the Paten) are given to a Mission Church for use during the Holy Sacrifice of the Mass

Our Lady, Queen of the Knights, bless all the activities of our Order. Keep us true to our pledge, to extend the kingship of thy divine son on earth.

Through Thine intercession, win for us the grace, ever to exemplify in our public and private lives, the virtues that should characterize those especially dedicated to the service of the heavenly court. Make us always aware that as your Knights, we are constantly observed, our faith judged, and our Order appreciated.

Accept, O Mary, this renewed pledge of fealty and devotion, of Thy Servants, the Knights of Columbus.
